3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Further, out of the above mentioned four subsidiaries, three subsidiaries are located outside India whose financial statements have been prepared in accordance with accounting principles generally accepted in their respective countries and those have been reviewed by other auditors under International Standard on Review Engagement (ISRE) applicable in their respective countries.
